

CORPORATE SUSTAINABILITY COMMITMENTS

What does it take to execute?

Join Palladium and the Sustainability Consortium on December 6th from 12:00-1:00pm to discuss the strategy implications of sustainability commitments for corporations

Featuring leaders in diverse industries who are currently executing their companies' sustainability strategy, our panel will cover the challenges and successes of large sustainability commitments through the eyes of both internal and external stakeholders as well as discuss best practices and methods to incorporate sustainable actions within the business

Featured organizations:

Matthew Carstens
Senior Vice President, Land O'Lakes SUSTAIN

Land O'Lakes SUSTAIN's network brings together the best in agricultural technology and on-farm business management to drive sustainability across the food system, feeding people, safeguarding the planet and supporting farmer livelihoods.

Catherine Queen
Manager - Sustainability, Danone North America

Danone's signature is a call to action for all consumers and everyone who has a stake in food to join the food revolution: a movement aimed at nurturing the adoption of healthier, more sustainable eating and drinking habits.

Christina Shim (moderator)
Managing Regional Director - Commercial Innovation Practice, Palladium

Palladium is a global impact firm that works to link social progress and commercial growth. We help our clients to see the world as interconnected - by formulating strategies, building partnerships, and implementing programs with lasting impact.
